Acoustic Cloth Characteristics	Order Numbers	Product
Acoustic Cloth 2.0 (hydrophobic, dirt-repellent)	110 to 151	VORTIS, VORTIS 2, SI SERIES
Acoustic Cloth FR (flame retarding)	210 to 239	

As standard, VORTIS 2/SI SERIES is delivered with the Acoustic Cloth 2.0 (hydrophobic, dirt-repellent).

For all weather-protected (indoor) installations, it is recommended to order the Acoustic Cloth FR. VORTIS is supplied with the Acoustic Cloth FR as standard.

**Both colors must be specified when ordering!**

**The only permissible color reference is the W&B RAL color fan (1007725)!**
